About the Web Site	xv
Introduction	xvii
Chapter 1: Being an Accidental Technology Trainer	1
What Is an Accidental Technology Trainer?	1
How Did This Accident Happen?	2
Sidebar: Survey Question: How Did You Become a Library Technology Trainer?	4
Is It a Happy Accident?	9
How Do Traditional Library Skills Translate into Training Skills?	11
Why Should Libraries Provide Technology Training?	11
Sidebar: Transferable Skills	12
Sidebar: Survey Question: Why Should Libraries Provide Technology Training?	19
What Types of Technology Training Do Libraries Usually Offer?	21
Is Technology Training Different Than Other Kinds of Training?	21
Sidebar: Survey Question: What Types of Technology Workshops Are Offered by Your Library?	22
Chapter 2: Discovering Training Principles	25
Andragogy	26
Constructivist Learning	28
Creating a Learning Community	29
Learning 2.0	31

Chapter 3: Identifying Library Technology Training Skills	35
Enthusiasm and Attitude	36
Social Skills	37
Self-Confidence	39
Subject Knowledge	41
Empathy, Patience, and Flexibility	42
Respect	43
Communication Skills	45
Facilitation and Interaction	47
Planning Skills	49
Delivery	50
Sidebar: Ten Tips to Quell the Qualms of Training	52
Chapter 4: Knowing Your Library Learners	55
Learning Styles	55
Categories of Learning Styles	57
How to Address Learning Preferences in Training	65
Generational Differences	66
The Memory Dilemma	67
Chapter 5: Learning Interactively	71
Using Activities	72
Icebreakers	74
Examples of Learning Interactivities	74
Designing Activities	82
Chapter 6: Creating and Maintaining Interest	85
Motivation	85
Sidebar: Survey Question: How Do You Create and Maintain Interest	93
Using Examples and Analogies	97
A Learning Climate	100
Subject Specific Classes	101

Chapter 7: Planning Technology Training	105
Training and Development Plan	106
Marketing the Workshops	131
Sidebar: Survey Question: How Do You Publicize Your Workshops?	134
Chapter 8: Organizing and Designing the Workshop	135
Workshop Plan	135
Learning Objectives	138
Modules	144
Training Techniques	149
Evaluation	152
Supporting Materials	153
Administrative Details	155
Sidebar: Preparation Checklist	156
Sidebar: Ten Tips for Preparation	157
Chapter 9: Dealing with Difficult Library Training Situations	159
Challenging Participants	159
Other Issues	167
Sidebar: Survey Question: Give an Example of a Particularly Difficult Training Experience and How You Resolved the Issue	172
Chapter 10: Examining Best Practices in Library Technology Training	175
Hot Library Workshops	175
Possible Technology Workshops for Staff and Patrons ...	182
Innovative Volunteer Programs	185
Sidebar: The Netguides Program	186
Tips from the Experts	188

Chapter 11: Keeping Current and Sharing Resources 193

- Ways to Keep Current 193
- Resources for Training Materials 194
- Online Tutorials 196
- Training and Technology-Related Web Sites 197
- Webcasts and Webinars 199
- Library Technology-Related Blogs 200
- Training Discussion Lists 201
- Podcasts 201
- Professional Training Organizations 202
- Training Scholarships 202
- Recommended Reading: Books 203
- Recommended Reading: Magazines/Journals 204
- Additional Tips from the Experts 205

Appendix A: Expert Library Technology Trainers 207

Appendix B: *The Accidental Technology Trainer* Survey Questions 209

Appendix C: Training Materials and Sample Workshop Flyers 211

Appendix D: Web Sites 225
