## Portfolio Service

The Internet Librarian Portfolio Service offers organizations a unique opportunity to place their promotional messages in the registration packets handed out to full-conference registrants. This exciting service ensures broad exposure for your product or service brochures, flyers, samples, or other promotional items at minimum expense. Exhibitors can double the impact of their messages with the Portfolio Service, while non-exhibitors can make themselves visible to the Internet Librarian buying audience.

Each insertion for the Internet Librarian Portfolio Service must be one piece and cannot weigh more than one ounce. All insertions must be approved before they will be considered for inclusion.

To participate, please complete and return this form by **September 21, 2001** with a sample of the insertion and a check made payable to Information Today, Inc. We'll notify you as soon as possible if your insertion is accepted and ask you to **send 2,500 copies of the insertion to the following address:**

**Michael Zarrello  
Portfolio Service c/o Information Today, Inc.  
143 Old Marlton Pike, Medford, NJ 08055-8750**

**Please be sure that Portfolio Service and your company name also appear on the shipment and that your materials arrive at INFORMATION TODAY, INC. NO LATER THAN October 5, 2001.** Information Today, Inc. assumes no responsibility or liability for insertions improperly labeled by the sender or insertions lost or slowed by the shipping agent or postal service.
